

Hello there, here is the visualization of this web project “UHUI Vending Machine Web Page”. This project was a group project under my web subject. Briefly, this web application consists of 2 side which are customer and admin side.

Admin side:

The image shows a 'Sign Up' form for the admin side. The form is centered on a background with a purple-to-blue gradient and several floating, semi-transparent squares. The form itself is a light purple rectangle with a white border. It contains the following elements: a title 'Sign Up' with a horizontal line underneath; four input fields labeled 'First Name', 'Last Name', 'Username', and 'password'; a 'Sign Up' button; and a link 'Log In' preceded by the text 'Already have account?'.

Admin Sign Up page

The image shows a 'Login' form for the admin side. It has the same background and floating squares as the sign-up page. The form is a light purple rectangle with a white border. It contains the following elements: a title 'Login' with a horizontal line underneath; two input fields, the first containing the text 'syazmal' and the second containing '*****'; a 'Log In' button; and a link 'Sign Up' preceded by the text 'Don't have account?'.

Database for this web application:

The screenshot shows the phpMyAdmin interface for a database named 'uhui_enterprise'. The left sidebar displays a tree view of databases, with 'uhui_enterprise' selected. The main panel shows the 'Structure' tab for the 'uhui_enterprise' database. It lists four tables: 'admin', 'item', 'orders', and 'order_item'. Each table has a star icon, a 'Browse' button, and a 'Structure' button. The 'Table' column lists the table names, and the 'Rows' column shows the number of rows in each table. The 'Type' column shows 'InnoDB' for all tables. The 'Collation' column shows 'utf8_unicode_ci' for all tables. The 'Size' column shows the size of each table in KiB. The 'Overhead' column shows the overhead for each table. The 'Sum' row shows the total size of the database as 80.0 KiB. Below the table list, there are buttons for 'Check all' and 'With selected:'. At the bottom, there is a 'Create new table' button.
